**Full Members** are covered by a membership subscription that includes fees for club, State association and *The Australian Orienteer*

**Associate Members** are covered by a variety of memberships that do not as a general rule include subscription to the State Assoc or The Australian Orienteer; eg remote areas or they might be covered by a group membership that does not provide full personal particulars to the State association, eg schools; note the variations in juniors below. The latter causes the high variability in such memberships. There are a number of different forms of Associate membership and they vary from State to State.
